

I wish we could sit down together and have a cup of tea, but since we can't when you have this one, I hope you think of me.

I wish we could sit down together and have a cup of tea, but since we can't when you have this one, I hope you think of me.

I wish we could sit down together and have a cup of tea, but since we can't when you have this one, I hope you think of me.

I wish we could sit down together and have a cup of tea, but since we can't when you have this one, I hope you think of me.

I wish we could sit down together and have a cup of tea, but since we can't when you have this one, I hope you think of me.
